AQUAPILOT[®] STEERING SYSTEM
ENSURES EFFICIENT POOL COVERAGE

EFFICIENT POOL COVERAGE

With patented AquaPilot® technology, PoolVac XL™ systematically covers the floor, walls* and coves of your pool, creating completely clean results. And with enhanced maneuverability, no obstacle can stand in its way.

CONSTANT SUCTION POWER

With a wide vacuum inlet and unique wing design, there's no dirt or debris PoolVac XL can't capture. It connects directly to your pool's skimmer or suction port for complete installation in less than 10 minutes, providing powerful suction.

QUICK AND EASY MAINTENANCE

With no debris bags to empty, PoolVac XL is simple to use and requires minimal regular maintenance. Its advanced suction design cleans efficiently and quietly, leaving you with a more peaceful pool.

PoolVac XL Suction Cleaner - Vinyl	2025ADV

*Wall climbing capability and pool coverage may be affected by specific pool shapes and surfaces. The cleaner may not climb the wall under certain conditions.

**Different shoe types available for different pool surfaces.

OPTIONAL ACCESSORIES (SOLD SEPARATELY)

» **Leaf Canister** makes for easy disposal and longer filtration cycles by trapping leaves and other debris

» **Skimmer Vacuum Plate** automatically alternates between water filtering and surface cleaning

» **VacLock™** is a safety mechanism for pools with an in-wall suction line that automatically closes the suction fitting when the cleaner is not in use
