

Star-Clear™

CARTRIDGE FILTERS

Hayward Star-Clear cartridge filters provide sparkling pure water for a wide range of pool sizes and types. From spas and hot tubs to above- and in-ground pools, they deliver full-sized filter system performance in an easy-to-afford package. Star-Clear filters feature a heavy duty cartridge element engineered from high quality reinforced polyester, for maximum efficiency, easier cleaning and longer life. A single locking knob provides easy access to the cartridge element and securely fastens the filter head to the filter tank — eliminating clamps or bolts. An attractive injection molded, corrosion-proof filter body sets the standard for value and convenience.

FILTERS

Filter Head
provides easy access to cartridge element. Attractive and durable, the head may be rotated to conveniently position pressure gauge and manual air relief valve
